My Daily Quest Badge

Print it on card stock, letter size. A grown-up cuts along the dashed circles.

My badge

My friend's badge

Rasky's Daily Quest badge showed a bin, a tool, and a broom. What would yours show?

Your Turn!

1. Draw three little pictures, one for each daily job.
2. Show your friend what each picture means. Ask what they would put on their badge.

Penny says: *'The badge reminds you. Your paws do the work.'*
